BRASCH GETS NEBRASKA RIGHT TO LIFE PAC'S SOLE ENDORSEMENT IN DISTRICT 16 LEGISLATIVE RACE

(BANCROFT, NE) – Lydia Brasch, candidate for Legislature for District 16, has received the sole endorsement from Nebraska Right To Life PAC (NRL PAC) in her race for Legislature. NRTL PAC made the endorsement after reviewing the questionnaire submitted by Brasch and conducting a personal interview.

“I’m very pleased to be the only candidate endorsed by Nebraska Right To Life PAC,” Brasch said. “Being pro-life is very important to me individually, and I view the right to life as a fundamental principle of our society. If elected, I look forward to working with Pro-life organizations and voters on legislative issues in our Unicameral,” Brasch said.

Nebraska Right To Life Political Action Committee is the political committee representing Nebraska’s largest Pro-life organization. It makes endorsements in political campaigns throughout Nebraska based on a candidate’s answers to a comprehensive questionnaire.

“Lydia Brasch has a very strong and sincere commitment to Pro-life issues and we have confidence in her ability to represent her constituents in the Legislature,” said Denise Ashby, Director of Nebraska Right To Life PAC. “It’s clear to us that Lydia Brasch will be a consistent Pro-life vote on issues important to our members and Pro-life voters. We urge all Pro-life voters to support Lydia Brasch’s campaign and vote for her in November,” Ashby said.
